

Middlesex Beach Committee Reports
October 2020

Beach Patrol, Mark McCulloh, Chairman:

Lifeguard stands have been removed by the Beach Patrol and they are stored for the winter in the Bayberry storage area. Invoices have been sent to Indian and North Indian for annual payment. There was a slight increase over last year. This issue will be evaluated going into next year. The decision not to extend the lifeguard season turned out to be a good one. Although there continue to be a lot of people on the beach, the weather cooled significantly after Labor Day which reduced swimmers in the water.
