## **Trash Pickup Details & Guidelines**

When a regularly scheduled trash or recycling pickup falls on a holiday, the pick up may take place the next day.

Republic Services offers Single-Stream recycling of regular household paper, glass, cans, etc.

Delaware Law prohibits ANY brush or lawn debris from being mixed with regular household trash. MBA has contracted for removal of brush or lawn debris. Please NOTE that Republic WILL NOT EMPTY trash cans that CONTAIN ANY LAWN or BRUSH DEBRIS. YOU ARE RESPONSIBLE for PROPERLY SEPARATING YOUR TRASH, and for INFORMING GUESTS and RENTERS of this POLICY.

Except for immediately prior to the Spring Bulk Yard Waste pickup, brush and other yard debris MUST be placed in paper bags or tied in bundles no more than 4' long. These bags or bundles of yard waste must be placed by the side of the road. Yard waste placed in plastic lawn bags will NOT be picked up. Lawn or brush debris must NOT contain any other trash.

## **Trash and Recycling Services**

If a developed MBA residential property receives MBA-provided trash and recycling services, it must have a compliant trash and recycling enclosure. Each property may have up to two (2) enclosures. For details of the Trash Rules and enclosures, please see [middlesexbeach.org/community/trash](http://middlesexbeach.org/community/trash)

### **Recycling**

Please DO NOT remove Recycling bins from your enclosure to put them by the street for the Recycling pick up. The contractor will get these bins & return them to the enclosure.
